Degree Planning

1. As an incoming, returning, or transfer student, I need a course planner so I can optimize my degree path.
   a. As a student, I need to know which elective courses meet general education requirements.
   b. As a busy student, I need difficulty analyzer for my schedule so I don't get in over my head.
   c. As a picky student, I need a professor evaluator so I know which professors will help me succeed.
   d. As a student with a busy schedule, I need to be able to specify which times I would like classes to be at.
   e. As a student, I need an application which allows me to search/filter courses based on course number, title, professor, and difficulty.
   f. As a student, I need suggestions on which classes I should take to work on my degree.
   g. As a student with many interests, I would like to know how best to introduce secondary majors and additional minors into my schedule.
   h. As a transfer student, I need to add courses I took at my sending school to my degree progress.
2. As a prospective, incoming, or returning student, I would like to browse the course catalogue before I plan my schedule.
   a. As a prospective or incoming student, I need to be able to browse the course catalogue.
   b. As a prospective or incoming student, I would like to browse sample degree plans.
   c. As a returning student, I would like to compare my degree progress with sample degree plans.
   d. As a curious student, I'd like to see course descriptions about unfamiliar courses.
   e. As a dedicated student, I'd like to be notified of new course additions so that I am aware of my choices.

      f.   As a student, I need to be able to visualize the prerequisites for courses I wish to take.

3. As a student, I need to be able to view and personalize my schedule.
   a. As a student, I need to be able to view my schedule.
   b. As a busy student, I'd like to color code my schedule by difficulty.
   c. As a busy student, I'd like to color code my schedule by major.
4. As a user, I need to be able to log in to save and retrieve progress I have made on the application.
   a. As a recurring user, I'd like to be able to share my schedule from the website with friends and family.
   b. As a recurring user, I need a way to export my schedule that I created so I can see it outside of the application.
   c. As a student, I would like to print off my planned schedule for ease of access.
   d. As a user with several devices, I'd like to access my degree plan on several devices.
   e. As a user, I'd like to import course plans made by other people so that I have a schedule to start with.
   f. As a user, I'd like to be able to export my degree plan to share with my friends.
   g. As a disorganized person, I need an application that will save my schedule between semesters so I don't lose track of my long term plan.
