User Stories

➔ As an incoming, returning, or transfer student, I need a course planner so I can optimize my degree path.

User Stories

➔ As an incoming, returning, or transfer student, I need a course planner so I can optimize my degree path.

    a. As a student, I need to know which elective courses meet general education requirements.

    b. As a student with specific interests, I need an application which allows me to search/filter courses based on course number, title, professor, and difficulty.

    c. As a student, I need suggestions on which classes I should take to work on my degree.

    d. As a new student, I would like to see sample degree plans to see options.

User Stories

➔ As a user, I need to be able to log in to save and retrieve progress I have made on the application.

User Stories

➔ As a user, I need to be able to log in to save and retrieve progress I have made on the application.

    a. As a recurring user, I need a way to export my schedule that I created so I can see it outside of the application.

    b. As a user with several devices, I'd like to access my degree plan on several devices.

    c. As a user, I'd like to import course plans made by other people.

    d. As a disorganized person, I need an application that will save my schedule between semesters so I don't lose track of my long term plan.
